# Mission, Vision & Quality Assurance

## MISSION

- To provide expertise which is our core competence through upgrading of skills and knowledge in order to meet rising expectations and needs of customers in competitive Marine Industry. To assist responsible and demanding customers achieve their business objectives through our professionalism, dedication, enthusiasm and responsiveness.

## VISION

- To be a leader in quality Ship crew management by providing completely reliable, dependable and consistent quality services on time to our clients so as to achieve their satisfaction.

## QUALITY ASSURANCE

- The Company operates to the highest quality standards by providing a professional ship crew management service, in order to meet the agreed requirements of crew's as well as fulfill its responsibilities towards its employees, the environment and the public at large.

## **CREW MANAGEMENT**

The onboard crew is at the forefront of all activities and the key to a vessel's safe and smooth day-to-day operation. At Oceanic Origin Shipping we understand that crew management is one of the most important factors in running the vessels we manage and we are fully aware that safeguarding these vessel's and their owner's interests requires the highly efficient utilization of the crew. We maintain one of the world's largest pools of highly qualified, motivated and dedicated seafarers who fulfill the demanding requirements of this rapidly expanding market.

Oceanic Origin Shipping offers crew supply services on a lump sum basis for any type of vessel. Our wholly-owned network around the world permits us to stay close to the seafarers, to control the manning process and puts us in a position to meet any crew requirements. We use modern search and selection methods to ensure that our employees not only have the required professional qualifications, but also the required personality. In addition, we are fully committed to the professional development and education of all staff. Oceanic Origin Shipping is constantly investing in upgrading and expanding its training facilities. This approach and our network of Marine Training Centre in several major seafaring countries, give us a real competitive edge in the market.

Being a one stop provider of crew management services, the following activities form an integral part of our services.

- » Accurate specialist's selection and screening according to Ship-owners demands.
- » Head hunting for a specific position.
- » Computer testing of English knowledge, conversational skills checking.
- » Arranging and booking flight trips to/from vessels.
- » Arrangement of statutory training courses ensuring STCW compliance.
- » Rendering assistance in receiving Visas.
- » Training ashore / Training onboard.
- » Certification control.
- » Drugs and alcohol policy.
- » Insurance.
- » Offshore Department.
- » Cadets program.
- » Psychological testing of seamen by special qualified psychologist in our agency.

## **CREW TRAINING**

Training is the need of the industry. As per the need, Oceanic Origin Shipping has taken the initiative by having establishes unique training facility. Various Maritime Academies were in contact with us to train seafarers with thorough knowledge in theoretical as well as operational practice.
